2 Aims and Values

Lings Primary School is a welcoming school, where everyone is valued highly and where tolerance, honesty, co-operation and mutual respect for others are fostered.

We are committed to the development of the whole person within a supportive, secure and creative environment.

A broad, balanced and appropriate curriculum provides equal opportunity for all pupils to maximise their potential regardless of age, sex, race, colour, religion or disability.

We endeavour to promote positive relationships with parents, Governors and members of the wider community.

We aim to promote equality and tackle any form of discrimination and actively promote harmonious relations in all areas of School life.

We seek to remove any barriers to access, participation, progression, attainment and achievement.

We take seriously our contribution to community cohesion.

We aim to:

- provide a secure environment in which all our children can flourish and achieve all five outcomes of '**Every Child Matters**' (be healthy, stay safe, enjoy and achieve, make a positive contribution, enjoy economic well-being).
- provide a learning environment where all individuals see themselves reflected and feel a sense of belonging.
- prepare children for life in a diverse society, in which children are able to see their place in the local, regional, national and international community.
- include and value the contribution of all families to our understanding of equality and diversity.
- provide positive non-stereotyping information about different groups of people, regardless of gender, ethnicity, disability, sexual orientation, religion and age.
- plan systematically to improve our understanding and promotion of diversity.
- actively challenge discrimination and disadvantage.
- make inclusion a thread which runs through all our activities.

To achieve these aims, we will:

- involve stakeholders in the development, review, evaluation and impact assessment of all relevant improvement plans, policies and procedures.
- publish and share our policies and impact assessments with the

whole community.

- collect and analyse data to ensure all groups are progressing well and no group is subject to disadvantage.
- use all available data to set suitable learning challenges for all, respond to pupils' diverse needs and overcome any potential barriers to learning.
- ensure that the wider school curriculum makes explicit and implicit provision to promote and celebrate diversity.
- have high expectations of behaviour which demonstrates respect for others.

3 Leadership, Management and Leadership

3.4 Breaches of the Policy

All breaches of the Policy will be rigorously followed up using appropriate procedures and reported to the Governing Body and Northampton Primary Academy Trust as required.

4 Policy Planning and Review

Whilst we have a duty to develop and publish equality schemes in relation to race, gender and disability, we at Lings Primary School are considering all aspects of diversity and equality in this comprehensive policy. This is embedded in the actions which constitute the School Development Plan.

4.1 Policy planning and development

- In the planning and development stage of policy making, we will ensure we have consulted and taken into account stakeholder views.
- All improvement plans will be designed with an element of impact assessment built in to monitor the success of each activity.
- There will be a regular review of the impact of all policies and procedures on equality and diversity to address any areas of inequality. For example, attainment and achievement will be analysed to ensure progress for all, especially in relation to any identified disadvantaged groups; attendance and exclusion data will be reviewed to ensure no over-representation by any one group.
- Our target setting processes ensure appropriate, challenging targets are set in relation to identifiable groups as well as individual pupils or cohorts.

4.2 Monitoring and Quality Assurance

- Each pupil's progress is monitored and tracked. The resulting data are analysed with respect to gender, race, ability or additional needs, looked after status.

- In addition to monitoring to rule out potential disadvantage, quality assurance procedures ensure Lings Primary meets its duty to promote diversity. For example, lesson observations record evidence of differentiation and texts are reviewed to ensure appropriateness and inclusivity.
- The data collected are used to inform school planning, target setting and decision making.
