

PE and School Sport Premium

Evidencing the impact and sustainability of the programme

School Name

Lings Primary School

Head Teacher

Leigh Wolmarans

PE Coordinator

Anne Davies

PE and School Sport Premium

The government in England is providing additional and substantial, ring-fenced funding to provide support to primary PE and school sport. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school to spend on improving the quality of physical education and sport for all their children.

Vision - Government

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport

Vision – School

All pupils participating in physical learning on a regular basis. We are committed to growing a culture within our community where physical learning is valued and seen as driver for change.

Objectives

- 1) To achieve self-sustaining improvement in the quality of PE and sport in primary schools.
- 2) Developing lifelong learning, physical literacy and family engagement with our children in school and at home.

Key outcome indicators

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport
6. Increased confidence and competence when making choices to travel

Review of PE and School Sport Premium expenditure 2015/2016

Key priorities to date	Key achievements / What worked well <i>What evidence is there of impact on your objectives</i>	Key Learning / What will change next year <i>Does this impact reflect value for money in terms of the budget allocated</i>
Implement an effective PE curriculum.	<ul style="list-style-type: none"> • All staff are up skilled through Real PE training (02.09.15). This has allowed the teachers to become more confident and competent at teaching Real PE. • Anne Davies now Real Gym trained. • Increased engagement and enjoyment in PE and school sport with holistic and physical development evident. • All children gain water confidence skills and work towards national guidelines 	<ul style="list-style-type: none"> • Staff upskilled, more confident to lead PE lessons. • PE co-ordinator role in place. • Mentoring of class teachers to deliver high quality PE lessons.
Member of the enhanced school programme.	<ul style="list-style-type: none"> • All pupils participate in Level 1 competitions with SSOC planning, scoring, co-ordinating and officiating. • All children compete in houses for house cups at the end of each term. • These competitions allow all pupils the opportunity to experience a wide variety of competitive sport. Many of them then joining extracurricular clubs inside and outside of school. 	<ul style="list-style-type: none"> • Remain a member of the Northampton School Sports Partnership Enhanced school programme for a further year as <ul style="list-style-type: none"> - Offers value for money; - It also allows for networking with other schools, sharing good practise and experiences; and - Regular meetings and update on local landscape through NSSP.

<p>Member of the enhanced school program.</p>	<ul style="list-style-type: none"> • School Sport Participation: <ul style="list-style-type: none"> -Year 1: 38% -Year 2: 53% -Year 3: 53% -Year 4: 83% -Year 5: 63% -Year 6: 100% • Level 1 Competition <ul style="list-style-type: none"> -Football (100% Participation) -Basketball (76% Participation) -Handball (100% Participation) -Goalball (100% Participation) -Archery (100% Participation) -Tri-Golf (100% Participation) -Multi-Skills (100% Participation) 	
<p>Utilising external sports coaches and maintain active school club links.</p>	<ul style="list-style-type: none"> • Tennis: Provided an opportunity for Year's 1/2 to have a sports club, which was well attended. Thus, we now have 5 gifted and talented pupils competing monthly for Northampton Lawn Tennis Club with the potential to progress to county level. • Golf: Provided an opportunity for Year's 1/2 to experience golf during their curricular PE lessons. • We now have 12 pupils selected from Y3-6 who have regular lessons at Overstone Park Golf Club as part of the Golf Scholarship program. Who recently have received their free 1 year junior membership to the club. • This then entitles them to play club competitions and gain their individual handicap and develop through the junior ranks of the club. • Ballroom: All years competed in Junior strictly competitions, with Year 5/6 placed 3rd overall in final, Y3/4 dancing at the grand final and Y1/2 placed 2nd in the final. Due to the school's philosophy of leading by example all staff now can ballroom dance on a Thursday evening with many taking ballroom and Latin dance exams. 	<ul style="list-style-type: none"> • Sustain partnership with: Overstone Park Golf Club and select 12 new scholars for this year's program in Autumn term. • Sustain partnership with Northampton Lawn tennis club and build on the G+T program for Y1/2 children to extend to a new cohort. Develop the existing 5 G+T children into the junior section of the NLT club to play regular weekend games. • Sustain partnership with Step by Step Dance School and continue the focus of Strictly Dance competitions. • Continue all partnerships and club links because of the impact on the whole child and the opportunities it exposes them to.

	<ul style="list-style-type: none"> • Gymnastics: Due to Becky teaching Real Gym in curriculum time alongside the class teacher from Y1-6. We have now seen an increased interest in the 2 extra-curricular gymnastics clubs. With the impact of all 3 of our gymnastics teams reaching the level 3 games and winning a medal- Y1/2- silver Y3/4- bronze, Y5/6 -bronze. 	
Upskilling of school staff.	<ul style="list-style-type: none"> • Real PE: This has enabled the class teachers to be up skilled in a Real PE curriculum. Empowering them to take greater responsibility with the planning and delivery of PE lessons. • Family Funs: This has enabled the school to engage with our first set of 10 parents in our Family Funs sessions each week and form a link with the parents at home. Greater engagement with physical activity for whole family not just at school. Confident teachers and TAs to deliver these sessions. 	<ul style="list-style-type: none"> • Staff competent to independently lead lessons. • Also, a mentoring scheme utilising PE Co-Ordinator's expertise and experience to sustain the delivery of high quality PE lessons.
Upskill Young leaders	<ul style="list-style-type: none"> • This has seen social, personal and leadership skill development within all our Year 6 pupils due to their responsibilities. • From the training, we now have seen the creation of our School Sports Organising Crew highlighting our gifted and talented leaders. From this we have highlighted pupils who have a desire to follow a teaching route and are now part of the Y6/7 leadership transition programme for gifted and talented leaders. 	<ul style="list-style-type: none"> • Y5 will undertake partnership training with Emily Carter-Morris (SSCo), to allow them to work alongside their peers in Year 6. • The following academic year there will then be well established young leader peer mentoring scheme in place.
Engaging the least active.	<ul style="list-style-type: none"> • Lings Virgin Active club and the schools PE curriculum have become a case study for good practise. There have been several reports written in various media publications and social media sites. • In terms of children we have seen an increase in engagement and participation with PE and school sport- some participants developed into leaders/ ambassadors for the programme promoting around the school. While some have now joined extra- 	<ul style="list-style-type: none"> • Sustain the good practise that has been developed over several academic years. • Continue our link with our local Virgin Active Gym at Riverside Northampton to train up our young leaders alongside Youth Support Trust. • Sustain the good practise for our Family FUNS program engaging with the families to change lives at home.

	<p>curricular activities, or competed for the school and the popularity of the programme has increased.</p> <ul style="list-style-type: none">• Our first cohort of children saw an increase in parental involvement within our celebration day who now act as ambassadors for the programme to other parents.

Accountability

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on your school website. One of the key purposes of putting information on the school website is to keep parents informed, so this information should be written in a format that is clear and easily accessible.

Completed by:	Anne Davies - PE Co-Ordinator				Date:	10/11/16

Department for Education guidance on how to use the Primary PE and Sport Premium

Schools must use the funding to make **additional and sustainable improvements to the quality of PE and sport they offer**. This means that you should use the premium to:

- ✓ Develop or add to the PE and sport activities that your school already offers
- ✓ Make improvements now that will benefit pupils joining the school in future years

For example, you can use your funding to:

- ✓ Hire qualified sports coaches to work with teachers
- ✓ Provide existing staff with training or resources to help them teach PE and sport more effectively
- ✓ Introduce new sports or activities and encourage more pupils to take up sport
- ✓ Support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
- ✓ Run sport competitions
- ✓ Increase pupils' participation in the School Games
- ✓ Run sports activities with other schools

You should not use your funding to:

- ✓ Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements - these should come out of your core staffing budgets
- ✓ Teach the minimum requirements of the national curriculum – including those specified for swimming.
