- Explaining why someone is working/performing well
- Recognising similarities and differences in performances

## Computing

Creating Media:  
Digital Painting  
(embedded unit)

## PSHE

Jigsaw Scheme:  
Dreams and Goals

### **The Year 1 Team**

**Glennie Class** – Miss Simons, Mrs Henderson and Mrs Sullivan

**Di Vinci Class** – Mrs O'Hagan and Miss Elliot

Mr Davies and Mrs Davies will continue to teach the children PE on Thursday morning.

**Please ensure that your child comes into school on their PE day wearing suitable PE kit and that they are dressed appropriately for all types of weather.**

### **Updates/Reminders:**

- Your child will have a new reading book once a week. Please read this with them at home as often as you can and record any reading that you have done with them in their yellow Reading Records. They do not always have to read their school book if they would like to read a different book but their school books are given to them based on their current reading levels - building on their Phonics skills, spelling patterns and reading skills. Reading is a crucial part of our children's development and it benefits all areas of learning. We visit the library on **Tuesday afternoons** to change our library books. **Please ensure that your child's reading book, library book and yellow Reading Records are brought to school with them every day.**
- Children must bring a **named water bottle to school with them each day** - this must not be juice or other liquids.
- If you have any questions or queries, please email us at: [yearone@lingsprimary.org.uk](mailto:yearone@lingsprimary.org.uk) and we will try to get back to you as soon as possible.
- As we continue to build on the basic skills, please try to support your child by reading and practicing their sounds regularly, practicing reading and writing their common exception words (Year 1 Spellings) and counting to and from 100 - in 1s, 2s, 5s and 10s.

We look forward to another fantastic term with our Year 1 children,  
**Many thanks,**

**The Year 1 Team**
